Page 1 of 1

It is certified that error appears in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

Column 14.

Line 9, "The method of claim 14, further including removing the transferred patch-and-upgrade proxy from the client server after completion of the performance of the patch and upgrade service at the client server." should read:

-- The method of claim 14, wherein the patch and upgrade service is configured to automatically reboot portions of the client network affected by the installation of the selected patch or upgrade. --.

Signed and Sealed this

Twenty-seventh Day of December, 2005

A handwritten signature in black ink, reading "Jon W. Dudas", is written over a rectangular area that appears to be a faded or embossed seal or stamp.

JON W. DUDAS
